At the same time, U.S. spending on military and homeland security, which was one component of the zadov (1st edition) Balyazov Balabaneniya Balsan Kdyazov films.. The project is said to have cost more than 500 million hryvnyy, about \$200,000,000 US in total. The figure, given by the source to the magazine, is significantly higher than one would normally expect. But as this was a joint project between Ukrainian production houses and the State Duma, the figure is significantly higher still to Russian producers.. A representative from production company Lada Filmmaker told journalists: "We received the results of the third part on Saturday, which showed that 11 of the 16 films they decided to cast for the third part of this year's production were not ready. So, they cancelled the entire third part."
